How To Apply EDU License Codes

I. Contact support@BlackMana.com or call 1(302) 440-3669 to obtain your license codes.

II. Have your school's IT Department (Mobile Deployment Manager) download Interior Design PRO|EDU from their "Apple School Manager" or "Apple Business Manager" account. The EDU apps are free to download and are ad-free.

III. After the School's Mobile Deployment Manager assigns the Interior Design PRO|EDU app to a device, the user of the device can open the app and will be prompted to enter their assigned License code.

IV. License codes can be assigned by the professor to individual students. Licensed features will vary depending on the license type obtained. Professors can keep track of the assigned codes, and can use any student's code on their own device in order to check up on a students rendered projects.
